Instructions for Seekers after Truth

Let goodness and compassion reign your heart. Oh man, why should you become merciless and severe, when all creatures, from the little ant to the powerful elephant, belong to God.

Kabir

Before the Living Master – an adept in the science on the Sound Current or Word –, gives initiation, He wishes that every prospective initiate abides by the following instructions:

I

To cultivate and develop the five Cardinal Virtues which constitute the bed-rock of Spirituality. These are:

1. **Ahimsa** – or Non-injury to all living creatures and more so to fellow beings, by thoughts, words and deeds – the injunction in this behalf being: Injure not a human heart for it is the seat of God. We must have respect for others’ feelings and tolerance for others’ opinions.
2. **Satayam** – or Truthfulness. As God is Truth, we must practice Truth in all our dealings. If Truth resides in every heart, it must manifest itself in life and action. “Be true to thyself and it must follow as night the day, thou canst not be false to any man.”

We must, therefore, avoid falsehood at all costs. It includes, besides, downright lies, hypocrisy and dishonesty, *suppressio veri* – suppression of Truth –, *suggestio falsi* – suggestions of false ideas.

3. **Brahmacharya** – or life of Chastity. It includes continence in thoughts, words and deeds. We must not cast covetous eyes on others nor entertain impure thoughts within, for “Chastity is life and sexuality is death.” If we want to tread the Path of Life Eternal, we must be chaste and clean both within and without.
4. **Prem** – or Love for all living creatures and more so for all human beings. Let there be hatred for none. The entire manifestation is the handiwork of God and must, therefore, be loved and respected. “He who does not know Love, cannot know God.”
5. **Nishkam Seva** – or Selfless service to all living creatures in sorrow and distress. If one limb of the body is in torture, the other limbs can have no rest. “Service before self” should therefore be our motto in life.

II

To practise these three Purities – in Diet, Livelihood and Conduct:

1. **Ahar** – Diet. What we eat goes to constitute the body and the mind. “Sound mind in a sound body” is a well known aphorism. We can neither have one nor the other with unwholesome diet. A strictly vegetarian diet consisting of vegetables and fruits, both fresh and dried, cereals, dairy products like milk, cream, butter, cheese, yoghurt etc. is essential for all aspirants for Truth. We must therefore avoid meat, meat juices, fish, fowl, eggs both fertile and unfertile, or anything containing any of these ingredients in any form or in any degree. Every action has a reaction and flesh eating involves contracting fresh karmas and thus helps to keep the inexorable karmic wheel in motion for we have to reap what we sow. We cannot have roses if we sow thistles.

The above prohibitions apply equally to all kinds of alcoholic drinks, intoxicants, opiates and narcotic drugs, as they tend to dull our consciousness and make one morbid. “The body is the temple of Living God.” And it must, therefore, be kept scrupulously clean.

Any prospective candidate for initiation should therefore try vegetarian for at least three to six months, to ensure that he or she can adhere to it, when put on the Path.

2. **Vihar** – Livelihood. Closely associated with diet, are the means of livelihood. There are no short-cuts in Spirituality. The end here does not justify the means, as it may be construed to do so, anywhere else. The ignoble means to earn one's living, do contaminate one's diet, the very source of life itself. So an honest living by the sweat of one's brow is essential in this line. The life plant has therefore to be nurtured with pure water, to make it sound and healthy, a fit instrument for the efflorescence of Spirituality.

3. **Achar** – Conduct. The above remarks apply equally to one's conduct in life. Every thought, every word and every deed, good or bad, leaves an indelible imprint on the mind and has to be accounted for. Hence the necessity for right thoughts, right aspirations and right conduct, all of which constitute the hedge around the tender sapling of Spirituality. The details in this behalf have been dealt with under the five virtues discussed above.

III

Satsang or Association with Truth

The guidance of the Living Master is of supreme importance. A Master is a Master indeed, a Master in all three phases of life; a Guru or Master on the physical plane, sharing our joys and sorrows, guiding affectionately each one of us in our worldly affairs, and above all imparting Spiritual Instructions; a Guru Dev or Radiant Form of the Master on astral and causal regions helping the spirit in meditation at each place and Sat Guru or Master of Truth or Truth itself in the Beyond.

The importance of attending Satsangs or Spiritual Gatherings can not be over emphasised. Theory always precedes practice. It is but necessary to understand clearly the teaching of the Master in all their bearings, before starting Spiritual Practice. The Master is the be-all and end-all on the Spiritual Path. He, however, does not ask for blind faith, though experimental faith is necessary for the purpose, to start with. He emphatically expresses: “Believe not the words of the Master, unless you see the Reality yourself”, or at least have some experience of It yourself.

IV

Spirituality

It is a Path of Love, discipline and self control. After the initial Spiritual Experience given at the time of initiation, the rest depends on the relentless regular practice, as enjoined by the Master. Daily practice with loving faith, in all sincerity and humility, is the corner stone round which each disciple must turn, so as to make progress on the Path. Love for the Master means implicit obedience to His commandments.

V

To eschew all Symbolism and Rituals

The observance of religious practices, rites and rituals keeping fast vigils, going on pilgrimages etc. and doing breathing exercises are the elementary steps only which go to create in you a desire for turning to or meeting God. You have made best use of them when you are put on the way back to God, which is the science of the Word or the Sound Current and is one for all humanity. A devotee of this science needs not indulge in the elementary steps. In short, all acts involving physical labour belong to the realm of the physical world while we have to rise above the body and bodily consciousness to get contact with the primal manifestations of the God-head: Light and Sound. You can not pray God with hands.

God is Spirit and can only be worshipped in spirit.

VI

Record of Conduct and Progress

Every seeker after God is enjoined to maintain a strictly impartial record of his daily conduct, so as to find out his weakness and try to weed the same out one by one; to note his/her progress on the Path and the various difficulties and shortcomings in the Way. The diary so maintained is to be sent to the Master every two months for further guidance. For this purpose regular forms are available and can be obtained from the nearest centre.

VII

Application for Initiation

Every true aspirant for Spiritual Science, who can adhere to the above, after preliminary abstinence in diet for about three to six months, can put in an application on the form prescribed for the purpose, giving his brief life sketch, age, marital status and the like along with a copy of his or her photograph. All applications for initiation are to be forwarded to the nearest representative of the Master for His approval and instructions in initiation are given only after the Master authorizes the same. The place and time of initiation are communicated in each case by the representative.

Note: Today – this note was written in the year 2006 – a written application for initiation in the above-mentioned way is no more needed. If there exists the honest wish to go the Way of Sant Mat, this can be communicated via the contact-button on this website. This way, open questions can be cleared up and the visit of the Satsang can be agreed. One has to visit the Satsang for several times and it has to be ensured that the theoretical part of this science has been adequately understood and the ethical aspect of life is put into praxis. Each seeker after Truth needs to understand that, amongst other things, debauchery and excesses of the western, moral urges concerning premarital contact and concubinage, which are both judged as adultery, have to be strictly prohibited.

Instructions for Seekers after Truth

In past days, when the social values concerning the marital sacrament were observed, such like notes were not necessary. The present time, however, since individual being is regarded as perfection, is not adjuvant in order to progress on the Path of the Saints or to tread it. Who observes the abovementioned aspects can receive Holy Initiation at the right time – which is always fixed by the Master-Power within.

VIII

The Path of Light and Sound Current

The science of the Living Masters is the most ancient and the most perfect science the world has ever seen. It is the most natural and the easiest to follow, and can be followed by men of all ages. Married life, avocation, caste and creed, social and religious beliefs, poverty or illiteracy etc. are no bars.

It is an Inner Science of the soul and consists in contacting the soul with the Over-soul, with the help and guidance of the Spiritual Adept, well versed in the theory and the practice of *Para Vidya* or Science of the Beyond; capable of granting some first-hand Spiritual Experience at the very first sitting. Nothing is to be taken on trust or make believe.

Miracles, spiritual healings, psychic phenomena, fortune-telling, akashic records and worldly desires are all to be left aside, for these are positive hindrances on the Path. The entire energy is to be conserved for Internal Progress.

Seek ye first the Kingdom of God, and all things shall be added unto you.

Instructions for Seekers after Truth

This is the Highest Truth that has ever been taught from the hoary antiquity, by sages and seers, since the day of creation. It is unalterable and shall remain so. God, God-Way and Godman can never suffer any change and shall ever remain eternal.

Instructions for Seekers after Truth

The whole creation is the temple of God. There is no place where He is not.

In minerals life is sleeping; in plants life is dreaming; in birds and animals life is awakening; and in man life is awake.

As such we are brothers of all creatures, of plants of birds and animals. So the flowers and trees sparrows and doves are as members of our own order.

How simple, pure, loving and beautiful they are!

We should learn lessons of leading lives of purity, holiness, simplicity and Divine Love from them.

Kirpal Singh

Naam is available for all those truly longing to reach God. With the Grace of the one God and the God working through our Master Kirpal Singh, initiation into Sant Mat, the Surat Shabd Yoga, is still nowadays given as a free gift.

So, whoever believes in the gospel of the Unity of Man, may ask for initiation!
